DESPERATE RUMPS INTIMIDATE BRANDON Republicans Trying to Stem the Tide With Boodle

GRASPING AT A STRAW IN EFFORT TO BEAT JOHN SPARKS

Sworn Affidavit Showing Statement Made by a
Duped Tool of a Discredited Band
of Pirates

State of Nevada,
County of Washoe.

J. F. Haley being duly sworn on his oath says:

IN regard to the withdrawal of W. L. Brandon, the Rump candidate for the Assembly, the statement published in The Journal of Monday morning, November 7th, is true in every particular; it was made in the presence of E. L. Bingham, Business Manager of The Journal, LeRoy Pike, of the Journal's editorial force, L. S. Case, foreman of The Journal, and within hearing of Walter McKaig, linotypist on the Journal. The events leading up to this action by Brandon date back from Friday evening, November 4th. At that time Mr. Brandon approached Mr. Bingham, stating that he was satisfied that his candidacy would assist in the defeat of John Sparks for United States Senator, and expressing a desire to withdraw from the Rump ticket. Again on Saturday Brandon left a note at The Journal office requesting an interview with Mr. Bingham. At the interview Brandon requested that it be published that a rumor was in circulation that W. L. Brandon had withdrawn from the Rump ticket, stating that he disliked very much the publicity that would result from his openly withdrawing from the Rump ticket. Again on Sunday night shortly before 12 o'clock Brandon again asked for an interview with Mr. Bingham. He was seen in the corridors of the Overland Hotel and later in a private room in the rear of that establishment with E. L. Bingham and J. F. Haley as witnesses. Brandon said that he desired to withdraw from the Rump ticket; that the money on the Rump legislative ticket was not being divided equally, that others on that ticket were spending \$10 where he had only \$1 to spend and that anyhow he was sick and tired of the whole affair. That in the presence of said Bingham and Haley, Brandon began writing a statement for publication, announcing his withdrawal from the ticket. He was not able to write the statement satisfactory to himself and then began dictating a statement to J. F. Haley. Even this was not satisfactory to Brandon and he decided to write the statement himself. He promised to bring it to The Journal office and at about 3:30 o'clock on the morning of October 7th, he did appear at The Journal office with a statement. Again he found it was not satisfactory. Finally the statement published in yesterday morning's Journal was prepared and approved by Mr. Brandon. He refused to sign the statement, but admitted it expressed his views, his only fear being that of publicity and what his friends would think of him for his action.

J. F. HALEY, City Editor Nevada State Journal.

SPARKS VICTORY CERTAIN

ALMOST AS SURE AS THE SUN SETS TONIGHT INDICATIONS POINT TO THE FACT THAT THE PEOPLE OF NEVADA WILL REMAIN TRUE TO THEIR PRINCIPLES AND ELECT JOHN SPARKS AS THE NEXT UNITED STATES SENATOR. THAT VAN DUZER WILL BE RETURNED TO CONGRESS. THAT PARKER WILL SCORE A SWEEPING VICTORY THROUGHOUT THE STATE AND THAT WASHOE COUNTY WILL ELECT NOT ONLY ITS ENTIRE LEGISLATIVE TICKET, BUT THAT ALMOST THE ENTIRE COUNTY TICKET WILL RECEIVE A BIG MAJORITY FROM THROUGHOUT THE STATE. REPORTS WERE RECEIVED LAST NIGHT AND IN EVERY INSTANCE THEY SHOW WHERE THE VOTERS ARE RISING UP ASSERTING THEIR RIGHTS AND PREPARING TO ENTER STRONG PROTEST AGAINST THE METHODS OF THE NATIONAL REPUBLICAN COMMITTEE IN SENDING PRIZE-FIGHT PROMOTERS AND CORRUPT EMISSARIES TO THE STATE IN AN EFFORT TO SWING IT FOR ROOSEVELT. CITIZENS, BE ON YOUR GUARD TODAY AND STAND READY TO PROTEST AGAINST THE USE OF BOODLE. IT IS BEING USED FREELY AND SO DESPERATE IS THE OPPOSITION THAT EVEN THE VOTING BOOTHS MAY BE INVADED.

Boodler Harrison, With His Republican Coin is Inflicting Himself Upon the Indignant Residents of the Bohan Mining Camp

Special to The Journal

TONOPAH, Nev., Nov. 7.—There is considerable excitement and indignation here tonight on account of the return of Duncan B. Harrison, the self-branded cur, former prize fight manager and now a state of Nevada. This roven renegade is here with the avowed purpose of attempting to defeat the re-election of Congressman Van Duzer, and his actions are such that the residents of this section are beginning to boil, and if he is allowed to remain in town for the next twenty-four hours it will be because he keeps out of sight.

To show to what depths this fellow has descended it is known that today that he drew several thousand dollars from a local bank upon an eastern draft, asking that the money be paid to him in five dollar gold pieces. His purpose is to buy the votes of the citizens of Tonopah against C. D. Van Duzer. The grafter will find that he has made a mistake in his opinion.

THE REPUBLICANS FIDDLE WHILE THEIR WAGON BURNS

Even Paid Torch Bearers and an Abundance of
Funds Could Not Swerve the
People

Amid a blaze of glory and with the sacrifice of an express horse and the partial destruction of an express wagon, the Republican campaign came to a close in Reno last evening on the corner of Commercial Row and Center street. The Republicans, after hurrying and rustling in every section of the city succeeded in securing a band, two hundred or more boys and about fifty voters to head a procession announced to be a sort of pyrotechnic affair. It is known positively that a number of those old enough to vote and who participated in the parade were paid all the way from \$1 to \$3 for their services. A few well known business men and bona fide citizens led away with the belief that they were doing a duty to their party started with the procession, but many of them deserted the ranks before the parade was half over.

The demonstration was but another evidence of the policy of the Republicans in Nevada to stoop to any depth no matter how low to accomplish their desperate purpose. Hon. Wm. B. Smythe, United States Senator, Newlands and other well known Democrats had announced the fact that a public meeting would be held at the opera house last evening. The Republicans, fearing that a statement of the true facts of the Republican rule would still further injure their chances began pouring forth their money and their efforts in an effort to counteract the attraction, but

even Providence ruled for right. As a result the opera house meeting was the success of the campaign.

"Three cheers for Sparks and Van Duzer" was a common cry as the banner bearers wended their way around the principal streets; even the youngsters, well supplied with horns and flags could not succeed in raising a cheer and finally when the grand rally came just before the procession dispersed, there was scarcely a corporal's guard left in line.

The parade came near being attended with serious results. An express wagon loaded with fireworks of every description, headed the banner bearers. Every few feet the wagon would stop in order to give the driver an opportunity to set off a few bombshells. At the corner of Commercial Row and Center street, the rockets instead of shooting skyward, took a downward course and landed in the midst of the explosives. A moment later the fireworks began exploding, the horse took fright and for a time a panic was threatened. Fortunately the horse, frightened by the noise and suffering from its burns, swerved and upset the rig, dumping the exploding roman candles, red fire and bombs upon the pavement. Some one sent an alarm of fire to the department, the engines responded and by the aid of chemicals succeeded in averting a conflagration. However, the horse was badly burned, the rig was damaged to a considerable extent, and the pavement in one spot is badly melted.

THE BATTLE OF THE BALLOTS

TODAY, from the Penobscot to the Pacific, from Lake Michigan to the Gulf of Mexico, will take place the great quadrennial battle of the ballots, the voters in which will name the next President of the United States.

It is the most wonderful spectacle in the science of government since the beginning of history. It is a tribute to the wisdom of the fathers of the republic, who devised this means of selecting our chief executive. It is a testimony to the wisdom of our people, who have perpetuated it through so many years of storm and stress, and who so peacefully abide by its decision.

It is too much to hope that it will be waged with entire honesty and fairness. In fact we know that money will be used to buy votes, the promise of place will be used to influence other votes, that the thou and one frauds that have besmirched the purity of the ballot in the past will be resurrected to day to perform their nefarious part.

But what we can hope is that truth, honesty and justice will prevail. That Odellism will be overthrown in New York; that Addicks will be defeated in Delaware; that La Follette will win a deserved victory in Wisconsin; that Republican corruptionists and Democratic hoodlums will be overthrown by folk in Missouri; that Peabodyism will be wiped from the map in Colorado; and finally, above all, that Nevada will be true to herself and elect John Sparks to the senate, defeating the power of money as represented by Nixon, and dishonest politics, as represented by Eugene Howell and Rheinhold Sadler.

Much as we desire the election of Alton Brooks Parker much as we believe in the great harm the county must suffer should Roosevelt continue in office, we do not hesitate to say that his election is tolerable compared with the evils bound to follow in the wake of the triumph of such men as Addicks, Peabody, Odell and Nixon. The re-election of Roosevelt would be but a mistake; the election of Nixon and others, a crime.

REMEMBER COLORADO

IN its issue yesterday The Journal presented the remarkable address of the Federated Trades of Colorado to the workmen of the United States. It should be read not only by the workmen of Reno, but by every friend of human liberty in Nevada.

The Republican party today carries in one hand the consolidated wealth of the United States, and, in the other hand the growing military power of the land. By means of these two forces, it aims to complete the conquest of money over man. This is the common danger of the Republic, but in Colorado it has reached the acute stage. For the evidence of this fact, read the address of Colorado's humiliated and suffering workmen. Study the story of their wrongs. Consider their arraignment of the Republican candidate for president of the United States. The workman who can vote the Republican ticket after knowing the attitude of his brothers in Colorado is certainly no friend of labor. Colorado and Montana will be Democratic today, and the great mining state of Nevada should take its place by their side.

NEVADA'S TRUE INTEREST

It is for the true interest of the people of Nevada that the Democratic party should triumph in this state, and nation. Republican success means the continued dominance of money over man. Republican success means the continued growth of military power and neglect of internal development.

William Jennings Bryan, who is loved and trusted by a majority of the people of Nevada, has appealed with all of the ardor of his soul for the election of Alton Brooks Parker. He believes this result will be most favorable to the triumph of economic reform in the early future. Nevada has followed Bryan in the past and can safely do so today.

Vote for Parker and Davis, for the development of a great State among these mountains, for the building of a peaceful Republic as against the growth of military empire.

THE PEOPLE'S TICKET

VOTERS, when you enter the booth today, don't forget your friend, John Sparks. To vote for him you must vote for E. A. McCarran for State Senator, and Peter Burke, L. B. Self, John Michael, Robert Eason, J. M. Higgins, H. W. Patton and J. F. Crosby, for Assemblymen. Vote the Democratic-Silver legislative ticket. A vote for any other is a vote for Nixon.

Vote your legislative ticket straight, without scratching. One vote may lose a legislator, one legislator might lose the senatorship.

Vote for C. D. Van Duzer for congress, and reward him for the good work he has done for Nevada.

Vote for H. F. Bartine, the laboring man's friend.

Vote for W. J. Cice and E. D. Boyle for Regent, and place two university graduates in charge of the affairs of their alma mater.

A STIRRING APPEAL

ONE of the strongest appeals to the hearts and consciences of the American nation was that issued by the Western Federation of Miners on October 31, begging the voters to cast their suffrages against Roosevelt.

It showed him up in his true light as an enemy of labor, and no man who considers himself a friend of labor could vote for Roosevelt after reading it.

Workingmen who believe in the sacredness of your vote don't forget to register a protest against Roosevelt and Peabodyism when you are making out your ballot.

AN APOLOGY

THE Tonopah Miner gets excited because in speaking of the ignorance and effrontery of the Bonanza we were so careless as to use the name of the Miner instead.

There is no occasion for the Miner to warm up. Everybody in the state that knows anything at all, knows that the Tonopah Bonanza has a chattel mortgage on all the ignorance and effrontery within the confines of Tonopah.

It would take more than two words to express our opinion of the Miner, and then we wouldn't have anything nasty to say.

ONE of the most remarkable flops on record is that of the Tonopah Sun, which started out to support the Democratic legislative ticket because it believed that John Sparks was the best man for United States senator, but suddenly turned over to the Republican legislative ticket because, as its editor gravely informs us, it feared that the Democratic delegation were not as firm as they might be in securing the removal of the county seat to Tonopah. We predict that the Tonopah Sun will add to the gaiety of Nevada, if not of nations.

THE Republican organ has finally declared that the Harrison-Van Duzer affair has simmered down to a question of veracity between the two parties most concerned. We do not think that the people of Nevada will take the word of a total stranger in preference to the man whom they honored with an election to congress two years ago.

ROOSEVELT'S open letter about the charge that Corley was standing up the trusts shows that his situation is a perilous one. The charges themselves failed to puncture his pachydermatous hide, but danger of defeat has finally forced him to open his mouth and roar.

THE Gazette had the Republican flag of victory floating from every rampart in Nevada Saturday evening. That's all right, so long as the Democrats win today.

AUTOMOBILES TO RACE HERE

Charles T. Short Arranging for
Contests Between Barney
Oldfield and Others

If the present plans are carried out Barney Oldfield, who holds the world's championship record for automobile racing will contest in this city with Bert Fuller, the western champion and other noted automobilists this month. Charles Short, one of the directors of the Nevada Jockey Club, received a letter last night from W. H. Pickens, in which Mr. Pickens offers to have the champions race here and asks Mr. Short to make arrangements for him. The races will be under the sanction of the American Athletic Association and will be the most interesting events ever held in this state.

Mr. Pickens asks Mr. Short to secure the track for him for the 21st of November and wants to know all of the particulars concerning the track, grandstand, fences and price wanted for the use of the track on that date. He guarantees to have the world's champions race and declares that the contests will be the best ever held on the coast.

Races held at Denver on November 5th, Barney Oldfield broke twelve world's records with his automobile. He held the world's record of 32.4 seconds for one mile but beat all previous records for two and three miles and those from eleven to twenty miles inclusive.

No Poison in Chamberlain's Cough Remedy.

From Napier, New Zealand, Herald: Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had, and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale by all druggists.

M. G. Myrtle Institutes Suit
Against the N-C-O. for Injuries
Received While Copling Cars

M. G. Myrtle, formerly a brakeman of the Nevada-California-Oregon Ry., yesterday filed a complaint in the County Clerk's office for damages to the amount of \$1,500. He alleges that his hand was crushed between two cars in the railroad yards on the 6th or last of October and that as a result of the accident he had to have one of his thumbs amputated.

He claims that the couplings on the cars are defective and of an old style. That the brakeman has to hold the coupling links in his hand while between the car and that it is on account of the carelessness and negligence of the company in failing to provide the cars with modern couplings that he received his injuries. He claims that the brakeman was at fault in having treated, and that he suffered great pain. As a fair recompense for the loss of his thumb and the pain endured on account of the accident, he asks that the court render judgment in the sum of \$1,500. Currier & King appear as attorneys for the plaintiff.

NEVADA MEN IN POOR CONDITION

Team Arrives from California,
but Players are Suffering
from Injuries

The Nevada football team arrived from Berkeley yesterday morning after playing one of the hardest games of the year with the California University last Saturday. The team is not in very good condition and a number of new players will take part in the contest with Utah tomorrow. Cash Smith is suffering from a sprained shoulder and Jones Nevada's quarter is carrying his arm in a sling on account of a badly sprained wrist.

Hamlin Nevada's big center could not accompany the team home on account of his injuries. He is now in an hospital in San Francisco suffering from a dislocated hip. He may never be able to play football again.

Despite the condition of the Nevada team, Coach Short and Captain Steele, as well as all of the members of the eleven hope to defeat Utah. They will play their hardest and the game will be interesting whether Nevada wins or not.

Many Going Home to Vote

Many students of the University will leave this morning for their homes in order to cast their votes in the coming election. Many of the students vote in this city, but the largest number of voters in the college cast their ballots in Virginia City, Carson and other neighboring cities.

VOTERS, DO NOT BE DECEIVED!

John Sparks is the people's choice for United States Senator. Voters, is it impossible to vote for him direct. The only way you can express your choice is to vote for the Democratic-Silver party candidates on the legislative ticket. A vote otherwise, no matter for what legislative candidate is a vote against John Sparks. Take this slip into the ballot box today and vote for Nevada's Governor by voting for the following eight legislative candidates:

FOR STATE SENATOR
P. A. MCARRAN.
FOR ASSEMBLYMEN.

PETER BURKE,
J. F. CROSBY,
ROBERT EASON,
JAMES HIGGINS,
JOHN MICHAEL,

ASSAULTING OUTER WALLS OF PORT ARTHUR

ST. PETERSBURG, Nov. 7.—The necessity of officers for the service has resulted in the mobilization of all officers in St. Petersburg, Vilna, Warsaw, Kiev, Odessa, Moscow, Kazan, and Caucasus. The loss of officers at Liao Yang and below Mukden was about 1300. The mobilization, while intended to supply the vacancy, is also necessitated by the grand scale on which the war in the Far East is to be prosecuted.

News from the front indicates that General Kuropatkin is devoting his attention chiefly to keeping the Japanese busy along the line of fortifications below the Shakh river. The Russians are apparently enjoying some superiority in the matter of artillery, as many of the heavier field trains and mortar batteries are now arriving and being brought into service.

CHICAGO, Ill., Nov. 7.—A special to the Daily News from Dalny dated November 6th says that after three days' continuous bombardment of Port Arthur, which caused extensive destruction to the Shojus and Nirusan forts in the west center of the Russian line of defense and also to Keewan fort, the right wing of the Japanese army assaulted Shojusan yesterday afternoon.

Having carried three approaches to that height, the assailants entrenched

themselves under Glacis of forts. In the evening the left wing delivered an assault on Kekwan, fighting its way to the lower parapet. There the Japanese held their ground stubbornly in the face of Russian counter attacks. Having been reinforced during the night, the Russians charged down upon the Japanese and a desperate hand-to-hand conflict ensued. The Japanese beat back their enemy and destroyed two companies and covered its position in the front.

A Japanese sub lieutenant with thirty volunteers then succeeded in making his way to the rear of the fort. There he engaged in a personal conflict with a Russian officer and killed him. Having discovered two more defenses in the rear, the sub lieutenant withdrew his force with a loss of two men.

Later in the night the advanced position of the Japanese was taken and retaken twice. The besiegers succeeded in holding the approaches and constructing trenches connecting them with the army's front part. At dawn numbers of dead were visible on the slopes. Forts to the north of the new and old batteries of the left center of the line of defenses were captured by severe fighting on that night. These operations have successfully driven an effective wedge into the Russian center.

LEAPS FROM A MOVING TRAIN

S. C. Ravenscroft, of Leadville, Colorado, in a Temporary Fit of Insanity Meets His Death

S. C. Ravenscroft of Leadville, Colorado, a passenger on No. 3, leaped to his death at Ferrell yesterday morning while the train was travelling at the rate of forty-five miles an hour. He slipped under the revolving wheels and several cars passed over his body.

On frequent occasions he had given evidence of temporary insanity and his actions were so queer that the conductor of the train determined to watch him. Several times he was prevented from going out on the platform before he made the fatal leap.

Brakeman Crase saw the man leave the car and at once divined his purpose. He attempted to grab the man but was too slow, as he had already taken his perilous plunge.

The body was picked up and taken to Battle Mountain, the nearest railroad point. The coroner took charge of the remains and the inquest will be held in a short time. The testimony of the railroad officials was telegraphed to Battle Mountain where it will be used at the inquest.

The man was forty years of age. An examination was made on his person and \$3400 was found. Nothing else was concealed in his clothes.

The coroner at Battle Mountain telegraphed to the Chief of Police at Leadville, Colorado, for information concerning his relatives. The body will be held there until an answer is received and instructions are given.

VOTERS, DO NOT BE DECEIVED!

John Sparks is the people's choice for United States Senator. Voters, it is impossible to vote for him direct. The only way you can express your choice is to vote for the Democratic-Silver party candidates on the legislative ticket. A vote otherwise, no matter for what legislative candidate is a vote against John Sparks. Take this slip into the ballot box today and vote for Nevada's Governor by voting for the following eight legislative candidates:

**FOR STATE SENATOR
P. A. McCARRAN,
FOR ASSEMBLYMEN.**

**PETER BURKE,
J. F. CROSBY,
ROBERT EASON,

H. W. PATTON,

The town of Sparks must work out its own destiny. No other town and no other people are going to work for the advancement of Sparks like the people here. Then vote for H. W. Patton for the Assembly.

Force of Men is Employed in Tearing Down the Wooden Bridge Which Has Been Used for Years

The room adjoining the Vitagraph Theatre has been fitted up with booths and the voting will take place there today. Eight booths have been placed in the building for the use today. The law allows a voter ten minutes in which to prepare his ballot. Some will not use the booths for that length of time while others will probably take more than ten minutes to vote. At this rate only 48 can cast their ballots in an hour's time. From 1 o'clock until closing time only 240 ballots can be placed in the box.

Voters, remember to cast your votes early in the morning and avoid the rush which will necessarily occur later in the day. In order for 500 voters to cast their ballots, it will be necessary for the greater portion of them to vote in the morning.

Judge Pollock reports that thirty-five names have been cancelled and transferred to other precincts. Nineteen names have been transferred to Sparks. The changes made are only slight ones and 511 names were on the list when Judge Pollock turned his books over to the election inspectors.

Called Home

Dan Reegan, who has been visiting relatives at Vacaville, California, and attending to business in San Francisco for the past two weeks, received a telegram announcing the death of his father at Sparks yesterday. He left immediately upon receipt of the telegram and arrived in Sparks last evening on No. 4.

SOMETHING ABOUT THE PUBLIC SCHOOL

W. B. Craig, the Republican nominee for District Attorney and Superintendent of Schools yesterday circulated a card in Sparks which stated that he had "declared himself in favor of free public schools in Sparks." If Mr. Craig had taken the trouble to visit any other portion of Sparks other than the saloon, he would have found the town already has quite a supply of public schools, employing some eight teachers.

If the people of Sparks want a sewer system, fire protection and good school facilities, it behooves them to vote for H. W. Patton, their own fellow citizen for the Assembly.

Every property owner, every citizen, every well wisher in Sparks should feel it his duty to vote for H. W. Patton for the Assembly.

Utah and Nevada are Evenly Matched
and Score Will be Close in to-
morrow's Contest

(By H. Standerwick.)

Teams of the Nevada University and the Utah Agricultural College will meet on the N. of N. field tomorrow for the last football game that will be played on the local gridiron this season. Under ordinary conditions the game should be an easy one for Nevada, but the fact that she played one of the best games on the Pacific coast only last Saturday, combined with the fact that three of the best men are injured as a result of that game, Nevada's chances are doubtful. The Utah team played last Saturday, also, but was lucky in coming off without having an men hurt. Of course Utah has done much traveling in the last two weeks and this may prove a detriment to her. Both teams are pretty well tired out and since Utah has the heavier team, weighing perhaps ten pounds more to the man than the Nevada team, she will have an advantage from this source.

If a comparison of the teams could be made by previous scores the odds would be largely in favor of the home team. Utah has been repeatedly beaten by scores running up into the forties, her latest defeat being at the hands of the Stanford team by a score of 57 to 0. Nevada has played four games winning two and losing two. In the two games lost the scores were seventeen to nothing by Stanford and sixteen to nothing by Berkeley. If an example is made of the Stanford scores, Nevada should win by about forty points or about seven touch downs.

Still, with the crippled condition of the team, Utah hopes to be able to hold Nevada down to a small score. This morning the Nevada team will have the field and go through its last practice before the game. In the afternoon the visiting team will practice, this being its first last and only practice while here. Owing to the absence of Manager Bulmer, Assistant Manager McBride has charge of the team. Bren Smith, '02, will act as referee and W. D. Arnot as umpire. The game will be called at 2 o'clock sharp.

RENO WHEELMEN WILL ENTERTAIN THE LADIES

The entertainment committee of the Reno Wheelmen's club met last night and settled up all of the business of the Candidate's ball. The affair was a success in every way and considerable money was cleared by the club.

Adolph Mannheim was present at the meeting and suggested a ladies night, the other members favored the suggestion and it was decided that a ladies night would be held the latter part of next week. Invitations will be issued to the members of the club and they may invite a limited number of friends to attend the party. The committee will meet again this evening and perfect all arrangements for the affair.

Sousa and His Band Possess the
Power to Entertain an
Audience

As an eminent critic once remarked "Sousa knows how to interest and how to stimulate" and therein lies not only the secret of much of the great power that this conductor possesses over his followers, but also explains the great public interest already manifest in the forthcoming appearance of the Sousa Band at McKissick's opera house tomorrow evening.

The popular character of the Sousa concerts, with a constant succession of musical numbers that never permit the interest to flag, jolly irresistible and characteristic encore pieces, and the swing and dash of the Sousa marches, all go to make up an ideal musical entertainment.

Coupled with the artistic merits of the Sousa Band is the personal magnetism of the conductor, and his unflinching courtesy and liberality in meeting the wishes of his audiences. During his three European tours, Sousa surprised his trans-Atlantic audiences with the artistic side of his concerts. Nothing had ever been heard over there in the way of military band playing that approached the Sousa ensemble for its purity of tone, its smoothness of execution, its precision of attack, and the general all around virtuosity of the performers.

Sousa as a conductor was a revelation of grace to those accustomed to the mathematical gestures of the average band master, and the Sousa compositions repeated abroad their home successes. The present tour is the twenty-fifth semi-annual concert season of this famous band and its seventh trans-continental trip. Mr. Sousa will offer as soloists, Estelle Liebling, soprano; Jessie Strauss, violinist; Herbert L. Clarke, cornetist.

Stands for Law and Order

A vote for W. H. A. Pike for District Attorney will be a vote for the law and order of the county. He has the best interests of the county at heart and has always been fearless in his work.
